Hello Friends,

Harbor Lights Pregnancy & Information Center is celebrating its 10th Anniversary this year! It is hard to believe how far we have come and how much we have grown! It was our intent to invite our supporters to celebrate with us at our Annual Fall Banquet that is held in October of each year, however, COVID-19 happened.

As you know this has been a year unlike any other. Due to the onset of COVID-19 we had to cancel our fundraisers and the Annual Fall Banquet. Harbor Lights Pregnancy & Information Center is a nonprofit 501C(3). We are totally dependent on our community donors for prayer and monetary support to keep the doors of the Center open for the benefit of our clients.

This year we are asking that you pray about your commitment to us. We need your support now more than ever. Please consider partnering with us on a monthly basis as a sustaining donor. A pledge card has been enclosed for your convenience. Our monthly expenses average approximately \$4,500.00.

For our part, we are being proactive during this pandemic by creating new avenues for fundraisers. In November, we are planning a **Dinner for 2 for a Week** raffle. We are also continuing to accept clean bottles/can for the refunds. For more information about Harbor Lights Pregnancy & Information Center, visit our new website: www.pregnancyhelpandsupport.org

Again, thank you for supporting us in the past. We pray you will continue to help us to keep our mission to "Save the Lives of the Unborn" operating in Iosco and surrounding communities.

"And let us not be weary in well doing: for in due season we shall reap, if we faint not." Galatians 6:9

Blessings,

Mary Elizabeth Morse and Doris May
